CONDITIONS OF SALES

PRICES

Prices listed are subject to change without prior notification by Janssen-Cilag

TERMS OF PAYMENT

Unless specifically agreed to the contrary, terms of payment are strictly 30 (thirty) days from the date of statement.

Interest is payable on all overdue amounts at the current bank overdraft rate.

Notwithstanding any other clause in these conditions of sale, with specific reference to payment, ownership in the goods supplied to the customer on account shall pass to the customer only when all amounts due by the customer to the company shall have been paid in full, notwithstanding delivery of the goods supplied to the customer.

In compliance with U.S. SEC Bulletin 101, title to, and risk of loss of goods passes to the customer upon delivery to a common carrier.

Janssen-Cilag will pay the cost of freight and insurance to the customer's premises. The customer will be the beneficiary of the insurance.

RETURNED GOODS POLICY

Permission must be obtained from the Distributor (PHD) prior to returning goods for credit.

A product bearing an expiry date can only be returned if it was supplied short dated (less than 12 months shelf life)

Relevant Invoice, Packing Slip and Batch Numbers must be supplied to the Distributor before any claim may be entertained.

Only authorised returns will be accepted. All returns will be arranged by PHD for upliftment

All returns are to be effected carriage paid.

Janssen-Cilag Sales Representatives are not empowered to uplift goods for credit. PHD will arrange with courier for upliftment of goods.

All goods returned must be clean, saleable and undamaged and must have quality control approval before credit may be considered.

The quality control division will examine the products to determine if these comply with the requested requirements.

Goods returned for credit will only be accepted from those customers who initially purchased the stock from Janssen-Cilag

and who have an account with Janssen-Cilag.

Short deliveries or goods damaged in transit must be reported to the Distributor (PHD) within 24 hours of receipt.

VALUE OF CREDIT FOR STOCKS RETURNED WILL BE BASED ON:

The invoice value when the goods were purchased less 10% handling charge.

When the date of sale cannot be determined, the Company will use the price ruling at date of manufacture.
